

## **CITIES 4 LIFE™ • CODE OF CONDUCT**

\*This is a Christian Ministry centered upon the Gospel of Jesus Christ

### **PRAY**

Our purpose is to glorify our Lord and Savior, Jesus Christ. We are here to bring our prayers and supplications to our Heavenly Father in the name of Jesus Christ. We are here to minister in a prayerful presence that it is unlawful to destroy the life of the unborn child. We are here to represent the love and mercy that God extends to sinners and we pray for mercy on the unborn children scheduled to die. We are here to support those who are proclaiming the gospel and speaking the Truth in love to mothers, their friends and families, and clinic personnel and will pray specifically for any immediate needs we see in front of the abortion centers. We must remember to be prompted by the Holy Spirit to pray as He leads us. Our duty is to faithfully lay our requests before His throne, trusting that His will be done.

### **PROCLAIM**

Our purpose is to glorify our Lord and Savior, Jesus Christ. We are here to proclaim the truth of the Gospel. We are here as witnesses to the Biblical truth that it is unlawful to destroy the life of an unborn child. We are here to expose the lies and evil deeds of the abortion industry. We are here to proclaim that abortion is an act of violence that kills an unborn child in the womb of his/her mother. We are here to offer help and hope and truth to people entering and exiting the abortion clinic. Participants **MUST** be peaceful, prayerful and non-violent. Participants must be willing to follow instructions of leadership within Cities 4 Life. Only one designated counselor at a time should speak out to people entering and exiting the killing center. Participants must not be argumentative with patients, clinic personnel, police officers or others. We must remember that the Holy Spirit is the One who convicts each person of sin. Our duty is to faithfully witness and proclaim the truth, leaving the results in the hands of our Sovereign Lord.

### **PROVIDE**

Our purpose is to glorify our Lord and Savior, Jesus Christ. We exist to provide tangible support to women and families in need as Scripture commands. All services and ministry provided to these mothers is to be done in a Christ-like way allowing the gifts of time, services or goods to make way for the Giver. We believe in the unity within the body of Christ as we serve alongside one another to fulfill the Great Commission and Jesus' promise of being known among the lost by our love one for another.
